Doesn't fit? Don't like? Want to return an item from an online order at fielders-choice.de? We have put together the below helpful info that hopefully answers all your questions regarding return shipments at fielders-choice.de

The return address for all return shipments is:

**Fielder's Choice

Germany**

Return shipments under the German „Widerrufsrecht“

If you are returning items under the German „Widerrufsrecht“, you can send these items to the above address with a parcel company of your choice. Please note that the freight charges on these shipments are the buyers responsibility.

Per our responsibility to minimize cost, we will accept freight collect shipments but will need to invoice you the cost that your freight forwarder charges for these shipments.

Please note that only new and unused merchandise will be accepted for return. Please be sure to include all blister cards, labels etc. that were attached to the item when you received it. Aluminum Bats and EvoShield items are sealed. Please be sure to remove that seal or open the EvoShield Gel Packs only if you are sure you want to keep the item – unfortunately, we are unable to accept unsealed bats/EvoShield items for return.

If you are returning shoes, please do not use the shoe carton as shipping box.

Be sure to include the completed „Return Slip“ that you received with your shipment to ensure a timely processing of your return.

All info regarding the „Widerrufsrecht“ can be found on our website under the „Widerrufsrecht“-Tab.

Credit for orders with Pre-Payment, COD or credit card payment:

After processing your return, you will receive a confirmation via E-Mail. We will credit the total of the returned items back to your bank account or your credit card.

The credit will be booked onto your bank account/credit card between 7 to 10 days after you received your return confirmation.

Credit for Klarna Payments (Klarna deferred payments or Klarna Pay later):

After your return has been processed, you will receive a confirmation via E-Mail. We will forward the credit memo of your returned items to Klarna. You will receive info on the updated amount due or any changes in the deferred payments directly from Klarna.

Returns for orders with payment option „Invoice“ (NOT Klarna pay later):

If you received your order on „Net 10 day“-Terms (open invoice) you will receive an updated invoice via E-Mail after your return has been processed. Please wait for this updated invoice and use the updated info (new invoice amount, new invoice number) for your bank transfer.

Please do not make payments based on the original invoice by deducting the price of the returned items!

Returns of defective items:

If you have a defective item, please contact us before making a return shipment. To make a claim on a defective item, digital photos that show the defect are very helpful to process the claim.

If the return of a defective item is necessary, you will receive a return shipment label from us and can return the item free of charge.

Mis-ship/wrong item:

You received an item that you did not order? Please get in touch with us and we will ship out the correct item and provide a shipping label to return the mis-ship to us free of charge
